ORPHAN WELL REHABILITATION GRANTS

Limited Opportunity!

There are a limited number of Federal grant funds available from the Government so **act today and give us a call**. Help us get a liability off your balance sheet.

The Gemini Advantage

Gemini Fabrication has crews we can send out to dismantle abandoned facilities, with the capability of dismantling the infrastructure and assessing it for scrap or for refurbishing it.

How Does It Work?

1

Application

Contact Gemini Fabrication today and we can complete and submit the Federal application for you.

2

Contract

Agree to and sign the basic contracts to have Gemini Fabrication start work onsite.

3

Complete Work

Gemini Fabrication will take care of the rest. From remediation and reclamation to decommissioning.

4

Savings

Eliminate these liabilities from your balance sheets and take advantage of Federal funding.
