Benefits of Membership

When it comes to discussing the great value proposition of being a Member of the Calgary Petroleum Club, the benefits are many...

- Corporate Memberships are transferable to another employee at the company without any additional fees. This works well when there are changes within the company or someone moves or retires.
- The Club is located in the heart of the downtown business district at 319 – 5th Avenue SW and conveniently connected to the Skywalk +15 for easy access to all downtown business towers.
- The Club underwent extensive renovations in 2017, when we restored and refreshed our facility including updating all audio visual in every room to facilitate business presentations, with free WIFI throughout the Club.
- Need office take-out catering? We can do that too - just call our Function Coordinator at 403-260-6354 or email: functions@calpeteclub.com to discuss the possibilities.
- We have reciprocal agreements with hundreds of prestigious private clubs worldwide that our members have access to while travelling for business or pleasure (*Not applicable during the Trial Membership or Non-Resident Membership*).
- Our Function Coordinator's office will work with Members and representatives to plan worry free business-related events, and memorable social and family events, to suit their budget. Think custom catering and no room rental fees (*when food & beverage minimums are met*). Contact Carole at 403-260-6354.
- The Club has 15 rooms available for private events/meetings and 4 public areas for Member's to dine throughout the day and evening.
- Need a little workspace between appointments? We have a Business Centre featuring a computer with Internet access, printer, telephone, and wireless connections. You can also plug in upstairs at our 'Brew 319' work bar, serving gourmet coffee, tea, fresh pastries and more.
- We have one of the finest Wine Cellars in Western Canada, with great pricing. The Cellar is perfect for your next VIP dining, social gathering or special event.
- Forester's Lounge is a more casual area of the Club for lunch or after work drinks, while taking in your favourite game on one of the many big screens. There are numerous beers on tap and wines by the glass!
- The Club puts on a variety of special events throughout the year and prints a quarterly Entertainment Guide, outlining all of these events. You can also view all of the event details on the members side of the Club website.
